

## DBS POLICY STATEMENT

### 1. Criminal Convictions and Release of Data

Many of our assignments involve caring for, training, supervising or being in sole charge of children and students under the age of 18, or students with learning difficulties/disabilities.

Your registration with Maze Recruitment Group is therefore exempt from the provisions of the Rehabilitation Act 1974 and its support regulations. You will therefore be required to apply for an Enhanced DBS check through the Disclosure and Barring Service. Consequently, you are NOT entitled to withhold information about convictions, cautions, reprimands and warnings which for the purposes are spent under the Act.

Any information that you provide will be treated in the strictest confidence and will only be taken into account where the offence is relevant to the post for which you are applying. Any failure to declare any information may require us to exclude you from our register if the offence is not declared but later comes to light.

Maze Recruitment Group fully complies with the DBS Code of Practice and undertakes to treat all applicants for positions fairly. It undertakes not to discriminate unfairly against any subject of a disclosure on the basis of conviction or other information revealed.

In line with, Keeping Children Safe in Education 2024, Maze Recruitment Group are required to supply client organisations with a copy of a candidate's disclosure when information is contained therein. It is therefore advised that you present a copy of your DBS certificate to the school on your first day of assignment.

### 2. DBS Processing

Every candidate accepted for registration as a Temporary or Contract Worker with Maze Recruitment Group, Education Sector must have a current and valid Enhanced Disclosure and Barring Service Certificate (DBS Certificate). This certificate must be valid to the Child Workforce. If the candidate is to work with vulnerable adults, the DBS certificate must be valid to both the Child and Adult Workforces. Every applicant is informed of the requirement for an Enhanced Disclosure Certificate (DBS certificate) in the first vetting conversation, and on the application form which is completed as a mandatory requirement of the registration process.

In line with the APSCo Compliance+ guidance, all DBS certificates presented to Maze Recruitment Group are checked a minimum of every 12 weeks, via the Update Service, to ensure that the DBS certificate sighted by Maze Recruitment Group is current. It is therefore strongly recommended that all candidates have a current subscription with the DBS Update Service.

Maze Recruitment Group will therefore accept Enhanced DBS Certificates valid for the child workforce (and the adult work force, if applicable) as follows:

- Maze Recruitment Group has obtained the certificate for you and it was issued within the last 12 months, and on the understanding that it will be checked using the Update Service a minimum of every 12 weeks from the date of issue noted on the DBS certificate. If an Update Service check

cannot be undertaken 12 weeks from the date of issue, a new DBS certificate will need to be obtained.

- Another agency or employer has obtained the certificate for you, and it can be verified by an Update Service check. If an Update Service check cannot be undertaken, a new DBS certificate will need to be obtained.
- The original of the DBS certificate must be presented at the candidate's registration interview. DBS certificates become invalid if the candidate has a gap of three months or more in education-based employment (excluding the 6 week summer break for schools). In these circumstances a new disclosure certificate must be obtained if the current certificate cannot be verified by the candidate's subscription to the Update Service.
- Maze Recruitment Group must sight the original copy of the DBS certificate, unless the DBS certificate has been obtained through Maze Recruitment Group's First Advantage Online Disclosure system which has confirmed that the DBS certificate is clear. Maze Recruitment Group does not accept scanned or photocopied copies of DBS certificates without the originals being verified.

A company risk assessment is conducted on all DBS certificates which contain information, to ascertain whether or not the candidate is suitable for placement in an education or care setting. DBS certificates and the information they contain are shared only with those who need to have access to them in the course of their duties and not passed to any third-party persons not authorised to receive them.

Every candidate will be advised to carry the DBS certificate to each assignment to assist the record keeping of client schools and nurseries. Maze Recruitment Group recommends that the candidate shows the school their DBS certificate; Maze Recruitment Group also shares with clients where you are undertaking a placement the date of issue, reference number and any matters of note recorded on the certificate.

As far as possible, Maze Recruitment Group will make sure recipients of DBS certificate information do not discriminate against an applicant on the basis of information contained on the certificate. A criminal record will not necessarily be a bar to obtaining a position and applicants can be assured that information contained on the DBS certificate will not be used unfairly. Any matters revealed on the DBS certificate will be discussed with the applicant before full acceptance of registration with Maze Recruitment Group. The decision to decline the applicant will be made at senior level and will be handled with the utmost sensitivity.

DBS certificates are stored securely electronically in accordance with DBS storage policies. The date of issue and unique reference number for DBS certificates are recorded on the secure database.

Maze Recruitment Group will co-operate with requests from the Disclosure and Barring Service to undertake assurance checks as to the proper use and safekeeping of DBS certificate information and will report to the DBS any suspected malpractice in relation to this Code of Practice or any suspected offences in relation to the misuse of DBS certificate information
